Once in Member portal you must register.
Enter your e-mail address and confirm
Create your password and confirm
Enter the last 4 digits of your social security number
Create a security question and an answer
Enter your UA card number
Click register now.

Once logged in, scroll to the My Profile drop down and click on Register for On-Line Courses
Currently PSM is the only Registration available On-Line
Click Register

Once registered, Click Launch to start the refresher

You will navigate through the same Power point that is used in the classroom setting. Simply follow the directions on the screens and your results will automatically be in the Training Center's data base and sent to Palm Built-Rite the next business day as we normally do.

Starting in April 2020, the training center began to issue a new safety course card with QR code to Local 420 members with digital photos on file with the training center. This card will replace the paper issued PSM card with expiration sticker. With your QR code card, you will not receive an expiration sticker when you complete a PSM refresher course. Your new card will display your latest completed PSM refresher course when the QR code is scanned by a mobile device with a QR reader application and will not require an expiration sticker affixed to it.

If you have not received the QR code card, please email a current head and shoulder photo of yourself (please, no wearing of sunglasses or hats) in JPEG format to Peter Klein, Director of Training at: pklein@lu420.com. Please include your Full Name, UA Card Number, and "PSM Photo" in the subject line of the email.

If you do your refresher over a weekend or on a Holiday your results will be emailed to Built-Rite on the next Business day of that week. Please plan accordingly.
